

# Distributed Energy Buyback Scheme

Price Schedule

*SWIS customers only – as at 1 July 2022*

# Fees and charges

## Distributed Energy Buyback Scheme Administration Fee:

---

New Applications – \$21.90 per account (inclusive of GST)

Change of System – \$21.90 per account (inclusive of GST)

## Metering costs to switch to the Distributed Energy Buyback Scheme

*(if required)*

---

Meter Upgrade or Replacement Fee

**\$96.50**

---

All metering costs quoted above are inclusive of GST.

If you already have an existing compatible meter your meter can (for the Meter Upgrade or Replacement Fee) be reprogrammed to switch to the Distributed Energy Buyback Scheme. If you are unsure or wish to confirm your meter type, please call Synergy on 13 13 53.

## Communications equipment installation

*(if required)*

---

Western Power may require communications equipment to be installed on the meter at an additional charge.

---
